

# Dona Maria Dual Stick Creamy Foundation

Discover the flawless touch of Dona Maria DM Cosmetics Dual Stick Creamy Foundation — created in 3 essential shades that blend beautifully with 99% of skin tones while enhancing each person’s natural beauty. With a creamy, smooth, and lightweight texture, this dual stick foundation delivers seamless coverage for everyday glam or full radiant looks.

**Chestnut (C90)** – A rich warm shade designed to define, contour, and complement deeper complexions with a naturally glowing finish.

**Wheat Bread (C50)** – The perfect balanced medium tone that melts effortlessly into the skin for a soft, even, airbrushed look.

**Warm Almond (C60)** – A warm golden-beige shade that brightens and smooths the complexion while giving skin a healthy radiant glow.

The dual stick design makes application easy and travel-friendly — perfect for blending, sculpting, highlighting, and creating a flawless finish anywhere, anytime. Creamy, buildable, and skin-loving, the Dona Maria foundation stick leaves your skin looking smooth, radiant, and naturally beautiful.
